

## Wolf Pack

146 points

♣ (+2) +0/+0 and ♠ +3/+0  
during post-Rout Free Attacks.  
If Wolf Pack **Routs**, it automatically  
**Rallies** at end of turn.

Is unaffected by your Command Cards  
and may not be given **Spirit Guidance**.  
You may not play Command Cards  
while Wolf Pack is attacking or  
defending.

Unless your army currently contains a  
Wolfkin unit, Wolf Pack can only be  
given the **Close Standing Order** (*with  
no Objective*).
